Dr. Alan M. Gerlach
Deputy for Technical Plans and Operations
Air Force Cambridge Research Laboratories
Office of Aerospace Research
United States Air Force
Laurence G. Hanscom Field
Bedford, Massachusetts 01731

Dear Dr. Gerlach:

I was delighted to have your letter of 5 November and a copy of the HANDBOOK OF GEOPHYSICS AND SPACE ENVIRONMENTS. I have often wished for such a compendium and assure you it will be put to good use.

If I find any corrections, I will be sure to let you know. Thank you again.

Sincerely,

Albert D. Wheelon
Deputy Director
